SPRING ILLNESSES....

Please remember that if your child is sick to PLEASE call the office and cancel the visit, even if it is right before the start of the visit! Many of our caregivers attend to more than one client and we do not want to spread any illnesses to other clients or have the caregiver get sick! If the caregivers get sick than not only can we not schedule your hours with them, but other families will lose out too!

Additionally, it can be extremely easy for some of our clients to contract any kind of illness due to low immune systems, so please keep this in mind and CANCEL with the office when your child is sick. Please do not wait for the caregiver to arrive, if they arrive and the client is sick, the caregiver will need to leave the visit immediately.

We host CPR/First Aid Classes:

For April we have the following date, if you want to attend please contact the office and speak to Carolina or Bertha. More classes may be added so please contact us if you are interested in attending :)

April 11th from

1:30pm to 5:30pm

Kerry's Corner :)

Hard to believe its Spring already!!! The weather is sure trying to keep us on our toes this year! With Spring Breaks coming up the next few weeks, our caregivers are doing their best to fill in where needed! If you need different times than you are used to requesting and want a specific caregiver, please let the office know and we will do our best to verify if that caregiver is available for your shift! :)

If you have any people you feel would make a great asset to our team, we offer competitive rates, mileage reimbursement, health insurance, an IRA (Individual Retirement Account), vacation and sick pay and most of all DIRECT DEPOSIT!

If you have someone you feel would want to work for just your family have them apply specifically for your family and we can hire and orientate them to work for you, should they choose in the future to want me families, we can also add for them later, if not that is perfectly fine too :) We really would like to be able to help as many families as humanly possible! Just have them come into our office and speak with Kerry!
