Friendly Reminder :)

The office and all caregivers will be unavailable on Monday, September 3rd, 2018 in observation of Labor Day! :)

Back to School... back to Germs.... :(

Just a reminder that as the kids are getting back into the swing of the new school year, they are also getting more exposed to the many virus and illnesses that school children are prone too :(

Please keep our caregivers and other families in mind!! If you believe your child may have been exposed or is coming down with something, please cancel your visit! This will help the caregivers stay healthy and also our other families that our caregivers may visit as well :) Your child may not be immune compromised... but another child might be :(

We would appreciate as much notice as possible of course, but if your child arrives home from school and you realize they have come down with a cold, please call us immediately!! That way we can get in contact with the caregiver to either cancel or re-route them :)

Thank you for your help!!

Kerry's Korner :)

With the new school year, brings lots of updating forms to fill out! :) We would like you to remember to update our office if any information regarding your child has recently changed!! We will be mailing out our bi-annual evaluations and alternate contact forms for your to fill out and return, please help us keep our files current :)

If you have a friend or family member that you would like to help take care of your child, please let us know!! We would be more than happy to have that person become personal caregiver and have them assist you with utilizing your respite or daycare hours!

Just contact our office to get them started!
